ACES Den Happenings

Mission: Cultivating learners who apply skills and experiences to enrich society

Vision: A recognized community of learners, where everyone has the voice, freedom, and responsibility to create individual learning path

Greetings Autumn Creek Families!

We had another awesome week at ACES! Our students wrapped up AIMS testing and began NWEA MAP testing. They are doing a great job using their test taking skills and putting forth their best effort to show us all they have learned so far this school year.

Our band and orchestra students had a performance this week. WOW! They did a fabulous job at their concerts demonstrating how much progress they have made this school year.

Second Quarter ends on Friday, January 21. Grades will be posted on HAC, Home Access Center on Monday, January 31 at 5:00 PM.

Our weather continues to change daily. Due to this please ensure to send your child(ren) with the appropriate attire for outside weather. We make this determination on a daily basis. Here are some reminders:

- Continue to monitor your child(ren) for symptoms. If they display any please contact our school nurse, Brandi Delaney at bdelaney@y115.org
- Please provide your child with a back up mask in their bookbag. There are times where masks may break or get wet and it is helpful to have a backup mask of the style your child prefers.

As always if you have any questions, comments, or concerns please do not hesitate to contact me.

Have a great week of learning foxes!

Go Foxes! Paw Pride! ACES Believes!

Ms. Elisa Maldonado
Principal
