FROM MR. KUEKER

BGS Families,

Happy Friday!

Thank you to those that joined our first virtual Bristol Time this past Wednesday. It was great to see the students and celebrate together and discuss our Bristol Traits. We will continue this "new" tradition so be on the lookout for information in the future.

Parent/teacher conferences also went well this week. Thank you for taking the time to meet and discuss the progress of your student with the teachers. This is a great opportunity to connect and engage in conversation on how we can work together to support the students.

Additionally, please encourage your students to sign in and participate in Dreambox and Raz-kids while at home. These programs are utilized across the district and are great tools in supporting the students. Dreambox is for math while Raz-kids is for reading. These are accessed through Clever. And as always, continue to read at home. We recommend at least 20 minutes of reading at home.

Our first ever VIRTUAL book fair is here. If you'd like to "visit" our BGS book fair to do some book shopping that supports a local business, adds new books to our school library, & - most importantly - gets books in our kids' hands so we can read like crazy this winter - you can visit the following link: <https://www.abcfairs.com/>

The book fair runs from October 26th-November 12th, and when books arrive they will be delivered directly to students in our classroom. (What a fun day that will be!) There is an information sheet on the backside of the students' wish lists, but if you have any questions, feel free to contact Mrs. McHugh at smchugh@y115.org. THANK YOU for supporting the love of books at our school!

Thank you as always for your continued support and working together.

Sincerely,
Mr. Kueker
Bristol Grade Principal
