

# Grande Reserve Elementary School

a message from your  
*Principal*

August 28, 2023

Happy Monday GRES families,

It has been so wonderful having students back to the building, if only for the first couple days! We've welcomed many new families as I'm sure you've noticed in the neighborhood. With this, comes many changes within Grande Reserve, including many new staff. See below for additional information about some of our new staff!

One of the changes this year is that students will attend what we affectionately call MART. It has been a labor of love from all involved to bring to life. The amazing Mr. McHugh and Mrs. Moss have combined classrooms in a new space and will co-teach K-4th grade students. Some K-4 curriculum as well as 5th and 6th grade will be taught separately. We are excited for the connection they will provide between Music and Art and the opportunity we can provide to our students!

This year, the students began the year touring the building to visit Expectation Stations. It provided an opportunity for students to travel throughout the building as well as for staff to share what is expected in various places. We appreciate your support in helping grow all our students in a safe, structured, and fun environment. That said, it is important to point out our dress code policy as well as discuss electronic device use while at school. The dress code can be found on p. 18 of the Parent-Student Handbook; essentially students need to be covered from shoulder to mid-thigh. Regarding electronic devices, we understand there may be appropriate times for students to use their device and in those instances staff will give permission. However, electronic device use on school property without adult permission is prohibited.

We will do our best to send newsletters out to families on Fridays. When there is new information to be shared it will be near the top of the newsletter. The contents of our newsletter are broken into easy to find categories and also feature quick links, upcoming events, and other important information. We will share the menu in the first two newsletters nearest the beginning of the month, after that it can be found on the district and building website. For ease of use and reference, we often include many images. This can make the newsletter long if you want to print it, but we do our best to reduce the amount of links which also allows you to screenshot important information. New this year,

we will be posting the link to the newsletter on our Facebook page.

Please ensure that all 1st-6th grade students come to school with a charged Chromebook daily. Kindergarteners will use a device kept here at school. If you found any chargers, devices, or library books over the summer, please return them to the front office!

We are always looking to increase the number of lunch/recess supervisors available to cover when a regular is unavailable, Mondays and Fridays especially. If you are willing to be on our lunch/recess supervisor sub list, please contact the office. Also, if you are interested in coming in a day here and there, we would welcome that as well. Please call the office if this is something you may be interested in. :)

Looking forward to a wonderful year,  
Michele Breyne  
GRES Principal

We've also welcomed Janae Weidner, Brittany Bretz, Elizabeth Lueck, Alexis Arbet, Jennie Verdino, Kelly Gosch, Margaret Snyder, and Tracy Noel.

Here is a little bit about our new staff:

My name is Janae Weidner and I am joining the Grande Reserve team as the new Library Paraprofessional. I live in Yorkville with my husband, two daughters, and two dogs. In my free time I enjoy spending time with family and friends, playing games, and reading. I love to camp and travel (especially to national parks). I look forward to meeting you all!

Hi! My name is Kaitlyn Baker. I am a graduate of WIU and Trinity Christian University. Teaching is actually my second career as being a police officer was my first. I have previously taught students remotely during quarantine and 2nd grade. In my personal life, I like to go on adventures with my husband Adam, my 11 year old

daughter Bailey, and my 2 year old son Timmy. I absolutely love everything Halloween, Disney, Marvel, Harry Potter, and anything science-related. I'm also a big history buff, who is fascinated with the time period of the American Revolution, which obviously makes me a huge fan of Hamilton the Musical. My favorite time of the year is fall, where you can find me at a pumpkin farm, apple picking, or cheering on the Chicago Bears! I also love to cook, read, and to work on arts and crafts projects. Overall, I am really looking forward to getting to know the Grande Reserve community!

"Hello, everyone! My name is Cait Painter, and I am thrilled to be serving as Elementary Orchestra Director at Grande Reserve Elementary School and Bristol Bay Elementary School. I hail from Diamond, IL, and hold a Bachelor's Degree in Music Education from Northern Illinois University. Previously, I had the joy of working as the General Music Teacher and Band Director at Taft Grade School in Lockport, IL. Beyond my passion for music, I love spending time outdoors through hiking, camping, and skiing. I also enjoy reading, playing video games, and thrifting. I look forward to getting to know each of you and sharing an exciting musical experience this school year!"

Hi everyone! My name is Alexis Arbet and I will be working at Grande Reserve Elementary as an FMLA substitute. For this school year, I have been asked to fill in for both a 4th and 2nd grade class at the school! A bit about myself... I grew up in Yorkville and graduated from YHS in 2016. From there, I worked at a childcare facility as a Lead teacher and attended North Central College as I worked to receive my B.A. in Elementary Education. I began my teaching career in 2020 as a permanent substitute at Carl Sandburg Elementary in Wheaton. The following year, I was hired at Evergreen Elementary in Carol Stream. There, I worked as a Kindergarten and 1st grade teacher! Aside from my teaching career, I got married last year to my high school sweetheart and we have recently been blessed with our beautiful baby girl, Briella! I am looking forward to a great school year and being able to give back to the district I grew up in!

I am EXCITED to begin the next chapter in my teaching career at Grande Reserve Elementary School! Previously, I have taught second grade for seven years, and I have been a reading teachers assistant for two years. I received my bachelor's degree in elementary education from Illinois State University, and my masters degree in Reading from Olivet University. I knew at a young age that teaching was my passion. I value the importance of early literacy and, therefore, always wanted to teach Reading. I am a proud mom of three kids, Katelyn (11) Noah (10) and Joey (8), and a dedicated wife to my husband Matt of 15 years. I enjoy traveling, sports, listening to live music, and spending time together with my family. I strive to make a difference in teaching tomorrow's decision makers and am fortunate to continue teaching Reading at Grande Reserve!

Hello! My name is Elizabeth, and I am excited to be completing a portion of my student teaching experience at Grande Reserve Elementary School. I will be completing this experience in a resource classroom working with K-3 students! I am excited to see myself grow as a teacher during this experience! I am a student at Aurora University and will be graduating this December with a degree in Early Childhood Special Education! I have always enjoyed working with children. Teaching is one of my passions because it allows me to watch students grow as they work to learn something new. In my free time, I enjoy reading, watching movies, and spending time outside.

My name is Ms. Meier. I have joined the fourth-grade team this year, and I am very excited to be a part of Grande Reserve Elementary. I graduated from North Central College in Naperville, where I received my Bachelor's Degree in Elementary Education. I grew up near Yorkville and am proud to become a Yorkville Fox this year. Some interests I have besides teaching include reading, art, gardening, and baking. When I'm not at school, you can find me walking my dog Luxie at local parks and forest preserves. I look forward to what this year holds

I'm Jennie Verdino and I'm looking forward to my new role as a Paraprofessional. The last two years I've worked as a Lunch/Recess Supervisor at GRES. I've really enjoyed getting to know the students and staff. I live in Yorkville with my husband, daughter and our little dog Gracie. Summer is my favorite season! You will often find me spending time with family and friends lounging by the pool.

My name is Kelly Gosch. I am moving to Yorkville from Morrison, IL, where I have lived my whole life! Coming to Yorkville with me are my husband, Bob, and three children- Evelyn (8), Hallie Ann (1), and Calloway (3 months). During my 11 years in education, I have been a speech-language pathologist and a Curriculum Director/MTSS Coordinator. I graduated from Truman State University with Bachelor's and Master's in speech-language pathology and from Western Illinois University with a Master's in Educational Leadership. I finished my superintendent courses and can finally see the light at the end of the tunnel in the doctorate program. In my free time, I change diapers, play with my kids, and watch Cocomelon. If I ever get REAL free time again, I'd like to get back on the golf course and join a bowling league. My dreams are to get a hole-in-one while playing golf and bowl a 300

game!

As an educator and farmer for most of my career, I have had the pleasure to teach people of all ages in many settings. During the 2022/23 school year, I served as a substitute teacher for the Yorkville school district, and particularly enjoyed working at Grande Reserve Elementary. I love to spend time in nature: hiking, boating, birding, writing and camping. Spending time with family, friends and pets is my priority, and being helpful makes me happy. My greatest joy is to watch others delight in learning. Excited about the start of the 2023/24 school year, I am ready to learn, and ready to share. I am grateful to be part of the supportive Grande Reserve team, and to work with the stellar 5<sup>th</sup> grade teachers!

My name is Kelly Harris and this will be my 11th year teaching in the district. I spent all but one of those years teaching 4th grade. I live in Yorkville with my husband, Tom, and two sons. Ryan is 19 and will be a sophomore at Edgewood College in Madison, WI. Nate is 17 and will be a senior at Yorkville High School. Both of my sons play baseball for their respective schools. My favorite season is summer, I absolutely love reading, doing puzzles, and I have spent more hours watching baseball than I ever thought possible! I am beyond excited to be a part of the

GRES staff and look forward to exciting new adventures.

## ARRIVAL & DISMISSAL PROCEDURES

Last year, we adjusted our [afternoon pick-up and morning drop-off procedures](#) to reduce parent wait time, lessen the congestion on Grande Trail, and better ensure student safety. When we initially changed to this, we asked for, accepted and included parent feedback that was in alignment with our goals. Essentially, during arrival and dismissal, the parking lot is inaccessible unless previous arrangements have been made with the administration. We continue to thank and appreciate those helping to keep our students safe.

Dismissal during Inclement weather and dismissal on the first day are always difficult especially when students are still learning the options for how to get home. Unfortunately this year, we had inclement weather on the first day! We appreciate your patience as we worked to keep the students cool inside the building.

Please take note of a couple significant changes from last year:

- **The gates at Point D will close as close to 8:30am as possible!**

**Instruction starts at 8:35am which means our teachers need to be in their classrooms at that time. Please plan accordingly! Cars arriving after the gates are closed, should pull around to the front and walk their children to Door 1 and buzz to sign them in.**

- **Calls to the office changing the way a child is going home need to be made by 2:30pm!!!**

It is VERY important that students know how they are getting home and that we MINIMIZE the amount of last minute changes to what was discussed in the morning before school. Here at school, we will use the words,

- bus rider,
- car rider,
- front walker, and
- back walker

to describe the different ways to get home.

Buses load and unload in front, cars follow the direction shown on the diagram below loading and unloading in the 'back loop.' Front walkers meet their families at the yellow gate that connects school property to the walking path in the neighborhood by where the parking lot meets the back loop. Back walkers will exit the building towards the back loop and meet their families by the small fenced-in playground and yellow gate. We have bike racks in the front of the building as well as the back. Families of walkers need to stay behind the yellow gates at all times, so please practice with students putting on and taking off helmets, parking the bike in the rack, all while wearing their backpack.

It is concerning to us the amount of cars that park on Grande Trail by the neighborhood park just east of the school. There have been situations where students have walked to that park to meet up as planned, but due to unforeseen circumstances the adults didn't make it in time leaving their children crying and worried. That park is not school property and as such, students who go that way are unsupervised. Please do NOT park on Grande Trail or allow your child to exit the car from Grande Trail!!!!

## HOME ACCESS CENTER

The Home Access Center is where you can access all information such as attendance, report cards, schedules, etc. for your child(ren). It is important that you are registered so that when you need something, you will have access to it!

All payments are made through the Payment Portal, please register for that as well using the y115.org website. On the website, both can be found below the magnifying glass on the upper right hand side of the screen.

Continue to check your Home Access account for bus route information. As students continue to enroll, bus route pick-up and drop-off times may be subject to change. We appreciate your patience and flexibility.

## STAFF SHOUT OUTS!!!

We will continue to recognize staff this year for outstanding service to our school community! We've already received two that we'd like to share:

- *We really appreciate the efforts taken by the staff to ensure the safe drop off and boarding of all the kids given the extreme weather today.*
- *THANK YOU so much for suffering through the heat at pickup (and dropoff) today! I know it would have been much easier to have all the kids outside instead of letting them out one-by-one but I so appreciate the care that was taken for our kids today... and the teachers still all had smiles on their faces even after a long first day of*

*school. So grateful for you all at GRES :)*

[Submit your own shout out for any staff member here!!!](#)

## PTO

The 2023-24 GRES PTO Board is:

**President:** Jeanette Braga

**Vice President:** Amy Morel

**Secretary:** Julie Heath

**Treasurer:** Tabby Cassell

We are looking forward to providing fun, family events throughout the year and bringing back some GRES favorites!

More information coming about the annual Fox Trot.

Our first PTO meeting is next week, Tuesday, 9/5 in the GRES Library at 5:30pm.
