ADDITIONAL INFORMATION

Don't Forget to Pack a Snack

We have recently had a significant increase in the amount of K-3 students not bringing a snack to school. A full belly contributes to a positive learning environment, promoting overall well-being and supporting the academic success of individuals by laying the foundation for sustained attention, memory retention, and effective problem-solving.

Please take some time this weekend to talk to your child about the snack that they might have in their lunch box or create a plan for your child packing their own snack. If you are in need of support for snacks, please reach out to Mrs. Resendiz.

Cold Weather Gear

As the weather heads toward winter, bringing cold weather gear for recess is essential to ensure that students can fully enjoy their outdoor break while staying warm and comfortable. If the temperature/wind chill at recess time is above 15 degrees we will be headed outside for recess. Packed with warm layers, insulated jackets, hats, gloves, and scarves, cold weather gear helps protect against the brisk temperatures.
