ADDENDUM 3
Request for Proposal (RFP) Document for:

**Black and White
and
Color Copiers**

RFP Responses Due:

Friday, February 15, 2019 @ 10:00 a.m.

Location:

**Yorkville Community Unit School District 115
602A Center Parkway
Yorkville, Illinois 60560**

1. Can you confirm that the District is looking for 41 copiers based on Addendum 2?

Yes, the District is requesting a proposal for 41 copiers. See below:

- 18 Black and White @ 95 ppm or greater with PaperCut
- 1 Black and White @ 35 ppm with PaperCut
- 10 Black and White @ 35 ppm or greater without PaperCut
- 11 Color @ 75 ppm or greater with PaperCut
- 1 Color @ 45 ppm or greater without PaperCut

2. Are staples, toner and service included in the proposal?

The proposals should consist of 3 parts, all for 48 months. One for the the cost of the copiers, one for services (toner, staples, repairs, etc.), and one for PaperCut.

3. How many color and black and white copies do you want included in your monthly payment?

Currently the district print counts are 19 million black and white and 1.9 million color per year. Please use this information to determine the click rate.

4. Will you need hole punch units on the small black and white machines that do not have finishers?

No, these machines does not need hole punch.

5. Will you need a hole punch unit on the color machine for Buildings & Grounds/Technology?

No, this machine does not need hole punch.

6. Will you need a hole punch unit on the black and white machine for the Center for Innovation.

No, this machine does not need hole punch.
