GOAL STATEMENT

The goal of the camp is to provide a positive place for soccer players to learn and enhance their soccer skills, team concepts, and Yorkville Soccer's system in general. This camp will create an opportunity for the current soccer coaches to teach "the fundamentals" to the soccer players of the future, while also giving the participants the opportunity to work with local soccer trainers for further individualized support and instruction.

Excitement is welcome!!

CAMP EXPECTATIONS

Children who attend will have the chance to see what skills and training are necessary to become a future Yorkville soccer player! The camp will be fun, but we as coaches take this time very seriously and expect the same in return from every individual. Campers are expected to know they are there to learn new skills and to take their personal soccer abilities to the next level. Resources are also given for those who want to find a local soccer program to continue improving.

CAMP COST

\$55.00 (\$65 if submitted after June 14th; cash accepted)

Checks payable to: Yorkville High School

INJURIES

An athletic trainer will NOT be available for injuries. If serious injuries occur, a parent or guardian will be notified immediately.

Application due June 14th, 2019*

As a parent of _____, I hereby give my permission for my son/daughter to participate in the Little Foxes Soccer Camp and acknowledge the fact that he/she is physically able to participate in the camp activities. I further understand that any YHS staff member, personnel, certified trainer, or Yorkville School Board members will in no way be held liable for any accident or injury incurred at the camp by my child/children.

***Walk-up applications are accepted, however, they make it very tough for us as coaches to plan for camp drills, space, and t-shirts. Please try to get the application form in by the deadline. Thank you.**

FOXES PREMIER

(for 4th-6th grade players only)

I am recommending that my 4th-6th grade soccer player be placed in the 'Premier' group and be challenged to excel in technical ability and overall game play and knowledge.

(child must have recent club experience in order to qualify for this level of camp training.)

I would like my player to be held to that standard throughout each drill and scrimmage.
