Athletic Camps

The IHSA Board of Directors has determined that summer contact days are suspended until state government and medical leaders indicate such gatherings are safe. Therefore, summer athletic camp registration is currently on hold. If it is determined safe to resume these activities, District 115 will follow the outlined plan from the IHSA and consider re-opening registration.

Summer athletic camps that are unable to begin on their scheduled dates will be postponed. Alternative dates/times and guidelines will be shared with participating student-athletes if it is deemed safe to resume the camps.

Paid athletic camp registrations will be refunded to families if camps are canceled or rescheduled dates conflict with the student being able to participate.

? Contact YHS Athletic Director Luke Engelhardt at lengelhardt@y115.org.

Music Camps

Music summer camp registration is on hold due to the pandemic. Camps will be canceled if in-person instruction is not allowed. Any music camp registration fees that have already been collected will be refunded to families if the music camps cannot be held.
