## 2021-2022 E-Learning Schedule

### Emergency Day - Blended Synchronous/Asynchronous Learning Plan

All students will learn remotely and follow the planned A, B, or C day schedule, however the periods will be shortened. Each teacher will be required to incorporate a blended learning model synchronous/asynchronous through Zoom on the day during the assigned periods.

- On A & B days, teachers are expected to provide 25 minutes of synchronous instruction to include attendance with the remainder of the 50 minute period devoted to asynchronous learning. Teachers will remain available during asynchronous time to provide on-demand support. Students will engage in a blended model for 50 minutes per class and engage in learning for 5 total hours. **New content will be presented on A/B Days by teachers.**
- On A-Day Schedule - all staff must remain available via an open zoom link for students to access for assistance during Advisory/Flex Block.
- Regardless of the day, the school will have a common 1 hour Lunch (30 minutes)/Office Hour (30 minutes) which students can access teachers for support. Teachers will follow their normal Lunch/Office hour schedule.
- On C Days - students/teachers are expected to complete a check-in/attendance routine at the start of each instructional period with the balance of the 25 minute period devoted to asynchronous learning. Students are expected to engage in coursework asynchronously. **No new content will be presented on C-Day by teachers.** On C-Days, the school will have a common 25 minute Office Hours (9:25 - 9:50) which students can access teachers for support.
