## Music is Fun!

## Learn to Play an Instrument!

Learn to read music and play tunes! Brought to you by AES and The Music Path Company, this amazing program teaches young students the beginnings of music! Using specialized, proprietary MusicStart keyboards, students learn to play familiar tunes in a group setting by color, letter, and note matching while using problem-solving strategies - without sacrificing any important musical knowledge - we are not taking shortcuts to playing and reading music. Prepare your student to take any instrument by giving them a solid musical foundation with this exciting after school program!
