

# Sign up for a **SUMMER** **ADVENTURE**

with 4-H

**GET MORE INFO or REGISTER @ [go.illinois.edu/summer4Hdkk](https://go.illinois.edu/summer4Hdkk)**

**Survival Science Twilight Camp:** We'll explore survival science - outdoor cooking, navigation, shelter building, useful plants, and understanding animals. This series is full of fun hands-on activities for youth entering grades 5-8. Meets Wednesday evenings in June.

**Microbe Mysteries:** Grow cultures of microbes, examine them under a microscope, and learn about the risks and benefits of microbes. Learn about careers in microbiology from professionals. Designed for students entering grades 5 to 8 next year. Meets June 17, 18 & 19.

**STEM Special Interest (SPIN) Club:** This 6-week, special interest (SPIN) club will focus on science, technology, engineering and math! We will explore rocketry, biology, physics, and more. This is designed for students entering grades 3 to 6 in the fall. Meets Friday mornings in Aurora.

**Other opportunities include:**

- Caring for Creatures Workshop
- Photography Workshop
- Sewing Workshop Series
- Service & Leadership SPIN Club
- Welding Workshop Series
